

This is a summary of the policy and does not contain the full terms and conditions of the cover, which can be found in your policy booklet. It is important that you read your policy booklet carefully when you receive it.

Who is the Insurer?

The insurer of this policy is Aviva Insurance UK Limited.

What is Aviva Annual Multi-trip Travel Insurance?

This Annual Multi-trip Travel Insurance policy protects you during the period of insurance for holidays taken in the area you have selected up to the maximum duration you have selected (as shown on your policy schedule).

Holidays in the UK are covered under this policy if each one includes two or more consecutive nights stay in pre-booked holiday accommodation.

Some of the covers are optional and these are clearly marked as such. If you have selected any of these options, they will be itemised on your policy schedule.

Pre-existing medical conditions

It is important that you tell us at the start date and/or date of booking any trip if any insured person, your travelling companion or any person upon whom the travel plans would depend e.g. a close relative or close business associate, suffers from a medical condition. If you do not provide this information we may not pay claims due to these medical conditions.

You must advise us if between buying your policy or booking your trip and the departure date you or anyone upon whose good health the trip depends receives medical advice for a potentially serious illness or injury and we will advise you how this affects your cover.
